Next Time Try a *Slow* Trip to Europe

Slow travel is becoming more popular these days. Being a "slow traveler" doesn't mean that you go slowly from place to place. It means that you rent a vacation home, for **at least a week**, and experience a place like a local resident.

This kind of travel has many advantages. Good European rental homes are fairly easy to get, and they are usually cheaper than hotels – especially for large groups. And your trip is even less expensive because you can cook at home. Best of all, if you stay in one place, you'll have more time to just relax and explore the area.

Of course, slow travel isn't for everyone. If you rent a house, no one will come in to make your bed and clean every day, and you might not have some of the modern conveniences. Also, it can take some time to plan the trip and find the right rental. But slow travelers say it's the only way to go.

- a. A slow traveler only visits a few different places.
- b. Slow travelers usually stay in hotels.

- c. It isn't hard to find a place to rent for vacation in Europe.
- d. Rental homes can cost less money than hotels for large groups.
- e. If you slow travel, you won't save money.
- f. You'll have more time to learn about one place if you slow travel.
- g. In a rental home, you have to do more for yourself.
- h. It doesn't take a lot of planning to be a slow traveler.

It's getting harder for me to move these days. Why? I'm a pack rat. And I collect a lot of heavy things. For instance, I have lots of books. And I have records. Most of my friends gave away their records when CDs became more popular, but I didn't. Instead, I got theirs.

I remember my first move – from my parents' house to college. It was pretty easy to move that

time. I packed my clothes, my stereo, and a few books into my car – that was it! However, my last move was a nightmare. It took me weeks to pack. You see, I'm also not very organized. Other people pack related items into neat little boxes and label them carefully, but I don't. When I move, my boxes are all full of different stuff – some clothing, a golf ball, a book, and a bathroom towel, for example – so I can't find things for weeks.

I moved here six years ago, and I'll probably move again in a couple of years. Will my next move be easier? I doubt it. You can collect a lot of things in eight years. I might have to start selling my things!
