

THESE ARE THE DAYS OF OUR LIVES- QUEEN

Sometimes I get to feelin'

I back in the old days, long ago

WAS

When we kids, when we were young

Things seemed so perfect, you know?

WAS

The days endless, we were crazy, we were young

The sun always shinin', we just lived for fun

WERE

Sometimes it seems like lately, I just don't know

The rest of my life's been, just a show

WERE

Those the days of our lives

The bad things in life so few

WERE

Those days all gone now but one thing is true

When I look and I find I still love you

You can't turn back the clock, you can't turn back the tide

Ain't that a shame?

WERE

Ooh, I'd like to go back one time on a roller coaster ride

When life was just a game

WERE

No use in sitting and thinkin' on what you did

When you can lay back and enjoy it through your kids

Sometimes it seems like lately, I just don't know

ARE

Better sit back and go, with the flow

These the days of our lives

ARE

They've flown in the swiftness of time

These days all gone now but some things remain

ARE

When I look and I find, no change

Those the days of our lives, yeah

ARE

The bad things in life were so few

Those days all gone now but one thing's still true

ARE

When I look and I find, I still love you

I still love you
