

# THESE ARE THE DAYS OF OUR LIVES- QUEEN

Sometimes I get to feelin'

I [redacted] back in the old days, long ago

WAS

When we [redacted] kids, when we were young

Things seemed so perfect, you know?

WAS

The days [redacted] endless, we were crazy, we were young

The sun [redacted] always shinin', we just lived for fun

WERE

Sometimes it seems like lately, I just don't know

The rest of my life's been, just a show

WERE

Those [redacted] the days of our lives

The bad things in life [redacted] so few

WERE

Those days [redacted] all gone now but one thing is true

When I look and I find I still love you

You can't turn back the clock, you can't turn back the tide

Ain't that a shame?

WERE

Ooh, I'd like to go back one time on a roller coaster ride

When life was just a game

WERE

No use in sitting and thinkin' on what you did

When you can lay back and enjoy it through your kids

Sometimes it seems like lately, I just don't know

ARE

Better sit back and go, with the flow

These [redacted] the days of our lives

ARE

They've flown in the swiftness of time

These days [redacted] all gone now but some things remain

ARE

When I look and I find, no change

Those [redacted] the days of our lives, yeah

ARE

The bad things in life were so few

Those days [redacted] all gone now but one thing's still true

When I look and I find, I still love you

ARE

I still love you
