

HOW MANY ?

This worksheet is designed for a counting exercise. It features a central illustration of a school bag. Surrounding the bag are various school supplies, each appearing multiple times for counting. The items include:

- Books: Two stacks of three books each, one on the top left and one on the bottom right.
- Rulers: Three rulers of different sizes and orientations.
- Pencils: Five pencils, some sharpened and some not.
- Erasers: Three erasers.
- Crayons: A box of four crayons and two loose crayons on the left.
- Markers: Two markers, one on the bottom left and one on the bottom right.
- Pencil Case: One pencil case with a cartoon character on it, located on the right.

The entire scene is enclosed in a decorative, cloud-like border with a dotted line inside.
