Connectors are used to join and connect sentences. They express different things.

And

And expresses addition. When we use it, we add something to the previous clause.

But

But expresses contrast. When we use it we are opposing two ideas.

Because

Because expresses cause. When we use it we are presenting a reason.

So

So expresses the result of something stated on the previous sentence.

A) Now join the two pairs of the sentences written below that illustrate the pictures on the left by using and, but, because or so.
