Hi kids! Welcome to our Mid-Year Written Exam.
This is our new friend Jeremy.
Remember to pay attention, concentrate and have fun!
You can do it!

1. **READING.** Jeremy wants to tell you about his family and friends. Read the text:

Hi friends! I'm Jeremy. I'm ten years old and I live in France, Europe. My family is small and beautiful. Grandma is sixty-four years old; her name is Amanda. Dad's name is Kevin; he is thirty-nine.

I always help at home. In the morning, I usually make my bed and put away my toys. Grandma waters the plants and goes shopping. Dad cooks every day; he loves cooking. We have lunch together at 12.30 and I wash the dishes after that. In the afternoon, I sometimes play video games with my dad. He's very good at video games. Fortnite is his favorite game.

My best friend Anna loves roller skating. We like roller skating at the park. We never collect stickers but we do puzzles sometimes. We don't like making things; we like playing hide-and-seek.
