GENDER ROLES

In Mulan's community, how are women expected to behave?
Make a list of skills and characteristics of an ideal woman in ancient China, according to the book and movie.

In Mulan's community, how are men expected to behave?
Make a list similar to the previous exercise.

Are these expectations similar for women and men in your community? What is similar and what is different?

Do you think these expectations are fair? Should men and women be treated the same, or is it good to treat them differently in some ways?
