

Norwegian wood

The Beatles

I once had a girl / boy
Or should I say she once had you / me
She showed me her house / room
Isn't it good Norwegian wood?

She asked me to stay / come
And she told me to sit / stay anywhere
So I looked around
And I noticed there wasn't a sofa / chair

I sat on a rug biding my time / day
Drinking her coffee / wine
We talked until two and then she said
"It's time for sleep / bed"

She told me she worked in the morning / afternoon
and started to laugh
I told her I didn't
And crawled off to sleep in the kitchen / bath

And when I awoke I was alone / at home
This bird had flown
So I lit a lamp / fire
Isn't it good Norwegian wood?
