

I'll Wait - Kygo & Sasha Sloan

Listen to the song and write the words in the gaps:

[Verse 1]

I'll never forget the _____ -1- we used
to play
And when I put 'em on
The feeling _____ -2- fades out
my body
I hope you're thinkin' of me (Mmm)
There won't be a night, there won't be a place
Where you don't cross my _____ -3-
Where I don't see your face in somebody
(Mmm)
I hope you're thinkin' of me (Mmm)

[Pre-Chorus]

People say we're foolish, _____ -4- say
we're dumb
People say we're caught up in temporary love
We don't know what we're doin', they say we're
too young
But they don't _____ -5- a thing about us

[Chorus]

I'll wait _____, -6- that's what we said
16th of September, lyin' in my bed
I'll wait forever, it's never too late
Couple thousand miles is just a little space

[Post-Chorus]

I'll wait (Mmm)
I'll wait (Mmm)
I'll wait (Mmm)

Couple thousand miles is just a little space
I'll wait

[Drop]

I'll wait

[Verse 2]

There won't be an end, can't _____ -7- the
start
When you're far away, it's like we're not apart
I'd burn my money
Just to hear you say you _____ -8- me
again

Repeat [Pre-Chorus]

Repeat [Chorus]

Repeat [Post-Chorus]

[Drop]

Far away (Mmm)
Far away (Mmm)
Far away (Mmm)
Couple thousand miles is just a little space

[Outro]

I'll wait forever, that's what we said
16th of September, lyin' in my bed
I'll wait forever, it's never too late
Couple thousand miles is just a little space
I'll wait
