C22 WB Unit 4 lesson B1 voc activity

2 **vocabulary**

Cross out the word that does not fit the meaning of the sentence.

1. It is *conceivable / ~~misleading~~ / plausible* that many lowland areas will be under water if the current trend in climate change continues.
2. Fad diets that promise you'll lose 10 pounds the first day sound *convincing / fishy / far-fetched* to me. There's no way you can lose 10 pounds in one day!
3. Beware of *dubious / phony / well-founded* e-mails that ask you to supply personal information like your credit card number or your salary.
4. Greta gave such a *believable / convincing / iffy* performance in the play that I almost forgot she was acting!
5. Stephanie's blog is *misleading / fishy / believable.* Her profile says she's 24, but I know for a fact she's only 18.
6. That Carlos is a chef seems *far-fetched / dubious / conceivable* to me. The food he cooked for dinner was awful.
7. I don't believe life is possible on other planets. Show me a *plausible / dubious / well-founded* article that proves it, and then maybe I'll believe it.
8. When Kay told me she bought a car on the Internet, it sounded *iffy / far-fetched / credible* to me. But the car is actually pretty nice!
