

LIAR

Camila Cabello

I don't care if you're \_\_\_\_\_  
Or if you're not alone  
I don't care, it's been too \_\_\_\_\_  
It's kinda like we didn't happen  
The way that your lips move  
The way you whisper slow  
I don't \_\_\_\_\_, it's good as gone (uh)

LIAR

WATCHING

HERE

IT

I said I won't lose \_\_\_\_\_, I don't want it (ooh)  
I said I won't get too close, but I can't stop it.

FIRE

Oh, no, there you go, making me a \_\_\_\_\_  
Got me begging you for more  
Oh, no, there I go, starting up a \_\_\_\_\_  
Oh, no, no (oh, no)  
Oh, no, there you go, you're \_\_\_\_\_ me a liar  
I kinda like it though  
Oh, no, there I go, starting up a fire  
Oh, no, no (ooh)

ME

MAKING

CONTROL

You're \_\_\_\_\_, I feel it (hey)  
I know I shouldn't stare (yeah, yeah)  
I picture your hands on \_\_\_\_\_ (I think I wanna let it happen)  
But what if, you kiss me? (Yeah)  
And what if, like it?  
And no one sees \_\_\_\_\_

LONG

CARE

I said I won't lose control ...
