

# Perfect

Ed Sheeran

I found a love / friend for me

Darling, just dive right in and follow my lead

Well, I found a girl, nice / beautiful and sweet

Oh, I never knew you were the someone waiting for me

'Cause we were just children / kids when we fell in love

Not knowing what it was

I will not give you up this time / day

But darling, just kiss me slow, your heart is all I own

And in your ears / eyes you're holding mine

Baby, I'm dancing / running in the dark with you between my arms

Barefoot in the grass, listening to our favorite radio / song

When you said you looked a mess, I whispered underneath my breath

But you heard it, darling, you look good / perfect tonight

Well I found a woman, stronger / nicer than anyone I know

She shares my dreams, I hope that someday I'll share her home

I found a love, to carry more than just my secrets / dreams

To carry love, to carry children / friends of our own

We are still kids, but we're so in love

Fighting against all odds

I know we'll be alright this week / time

Darling, just hold my hand

Be my girl, I'll be your man

I see my future in your head / eyes

Baby, I'm swimming / dancing in the dark, with you between my arms

Barefoot in the grass, listening to our favorite radio / song

When you say you in that dress, looking so nice / beautiful

I don't deserve this, darling, you look perfect tonight / today

Baby, I'm dancing / sleeping in the dark, with you between my arms

Barefoot in the grass, listening to our favorite melody / song

I have faith in what I see

Now I know I have met an angel to get with

And she looks perfect, no I don't deserve this

You look perfect today / tonight
