

ETERNAL FLAME <https://www.youtube.com/watch?v=PSoOFn3wQV4>

Close your eyes, give \_\_\_\_\_ your hand, darling  
\_\_\_\_\_ you feel my heart beating  
\_\_\_\_\_ you understand?  
\_\_\_\_\_ you feel the same  
\_\_\_\_\_ I only dreaming  
\_\_\_\_\_ this burning an eternal flame?

I believe it's meant to be, darling  
I \_\_\_\_\_ you when you are sleeping  
You belong with me  
\_\_\_\_\_ you feel the same?  
\_\_\_\_\_ I only dreaming  
Or \_\_\_\_\_ this burning an eternal flame?

Say my name  
Sun shines through the rain  
A whole life so lonely  
And then come and ease the pain  
I \_\_\_\_\_ want to lose this feeling, oh

Say my name  
Sun shines through the rain  
A whole life so lonely  
And then come and ease the pain  
I \_\_\_\_\_ want to lose this feeling, oh

Close your eyes, give \_\_\_\_\_ your hand  
\_\_\_\_\_ you feel my heart beating  
\_\_\_\_\_ you understand?  
\_\_\_\_\_ you feel the same  
\_\_\_\_\_ I only dreaming  
Or \_\_\_\_\_ this burning an eternal flame?
