

**Primary 3/4**

**Week 26**

**The Write Tribe**

**AN ACT OF ENVY**

**PART 2**

## Conflict

- **Ease into the situation.**
- **Create anticipation before introducing the problem**
- **Slowly introduce the dilemma. Why was it a problem?**
- **Personal thoughts**
- **Feelings**

| Anticipation                                                                                                                                                                                                                                                                                                  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. That was when we heard something, I would never forget<br>2. Nothing could prepare me for the next moment<br>3. I wasn't prepared for what would happen next<br>4. That was when I realized, I made a blunder.<br>5. What I saw turned my legs to lead.<br>6. What happened next sent me into bewilderment |

| Useful vocabulary                          |                       |                             |
|--------------------------------------------|-----------------------|-----------------------------|
| lull                                       | commenced             | cost an arm and leg         |
| born with a silver spoon<br>in one's mouth | flocked               | like bees to honey          |
| ardent                                     | resentment            | green with envy             |
| served on a silver platter                 | pangs of envy         | stooge                      |
| made a beeline                             | sly                   | smashed into<br>smithereens |
| a slasher smile of sadistic<br>glee        | pricked my conscience | fidgeted                    |
| twitching uncomfortably                    | gestured              | face the music              |
| bragged                                    |                       |                             |

[illegible]

## Climax

**The most exciting part of your story**

**Slow down the action by describing everything in detail,  
showing emotions and using personal thoughts**

**Escalate the problem - THE PROBLEM INTENSIFIES!**

| Intensify the problem                                                     |
|---------------------------------------------------------------------------|
| 1. My heart raced as I realized I had to do something quick.              |
| 2. If I didn't do _____, I will be dead meat!                             |
| 3. The thought of _____ exacerbated my worst fear!                        |
| 4. _____ only to realize I had exactly three minutes to get to the _____. |

| Before solving the problem, show feelings and personal thoughts |
|-----------------------------------------------------------------|
| I sweated profusely as I _____.                                 |
| Then, solve the problem                                         |
| Fast as a race car, I _____.                                    |

[illegible]

## Conclusion

### -Solution

### -Personal thoughts

### -Show feelings

### -Lesson learnt

### -Proverb

| Proverbs                                                | Meanings                                                          |
|---------------------------------------------------------|-------------------------------------------------------------------|
| <b>Envy ruins friendships</b>                           | Being envious makes you lose friends                              |
| <b>if envy were a fever, all the world would be ill</b> | Everyone is prone to feeling envious. It's a human flaw.          |
| <b>The enemy's own punishment is his envy</b>           | An envious person gets punished by his ill actions and intentions |

### Anticipation

1. Nothing could prepare me for the next moment
2. I wasn't prepared for what would happen next

### Lesson learnt

I learnt an important lesson. I should \_\_\_\_\_. (End with a proverb)

[illegible]
