1. _____
2. _____
3. _____

What are the types of transport on Land?

1. _____
2. _____
3. _____

What are the types of transport on Air?

1. _____
2. _____
3. _____

What are the types of transport on Water?

1. _____
2. _____
3. _____

ACTIVITIES:

Car 🚗 (Land Transportation).

Materials:

Paper 📄

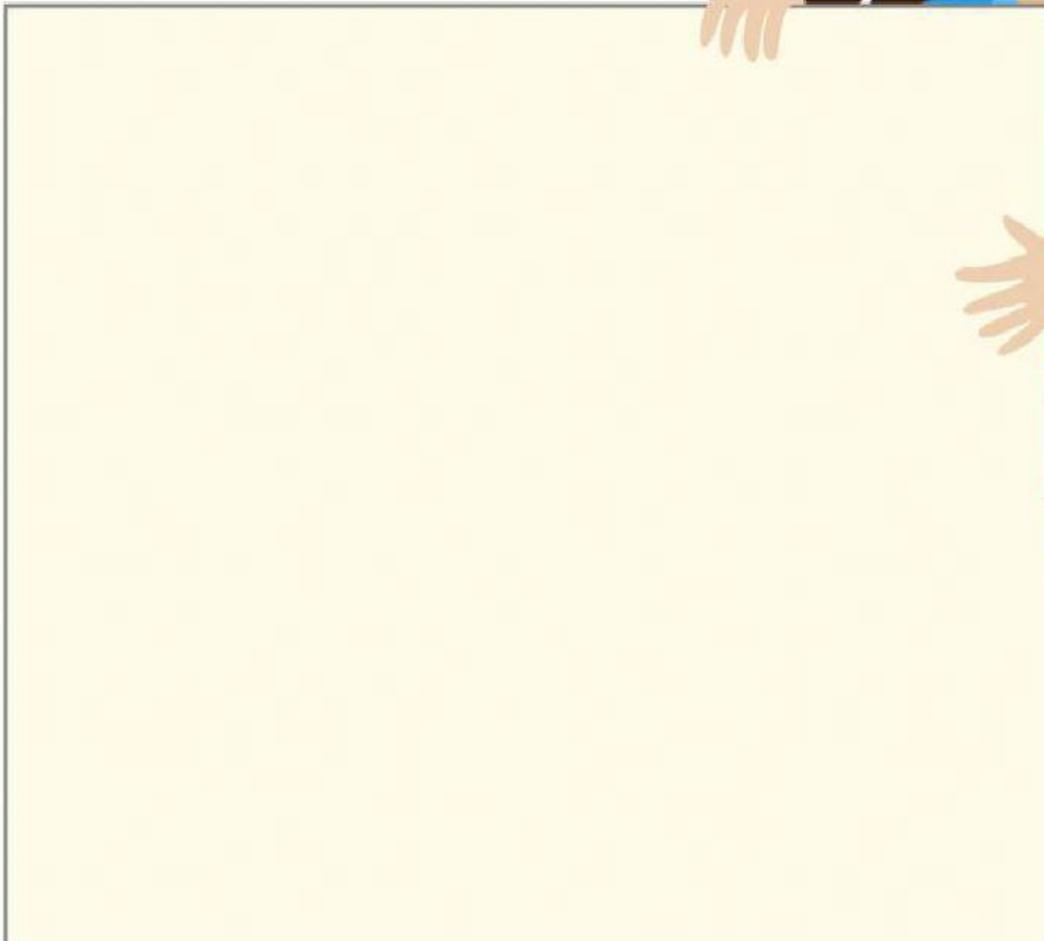

Ruler 📏

Pencil 🖋️

Marker or Dark pen 🖍️

Scissors ✂️

Watch the video on how to make your own paper Car 📺:

🚗 Help your child to draw out the lines and cut.

🚗 Show your child how to fix the cut out as shown in the video and let them do same.

🚗 Your child would be excited about the end results and would want to make more.

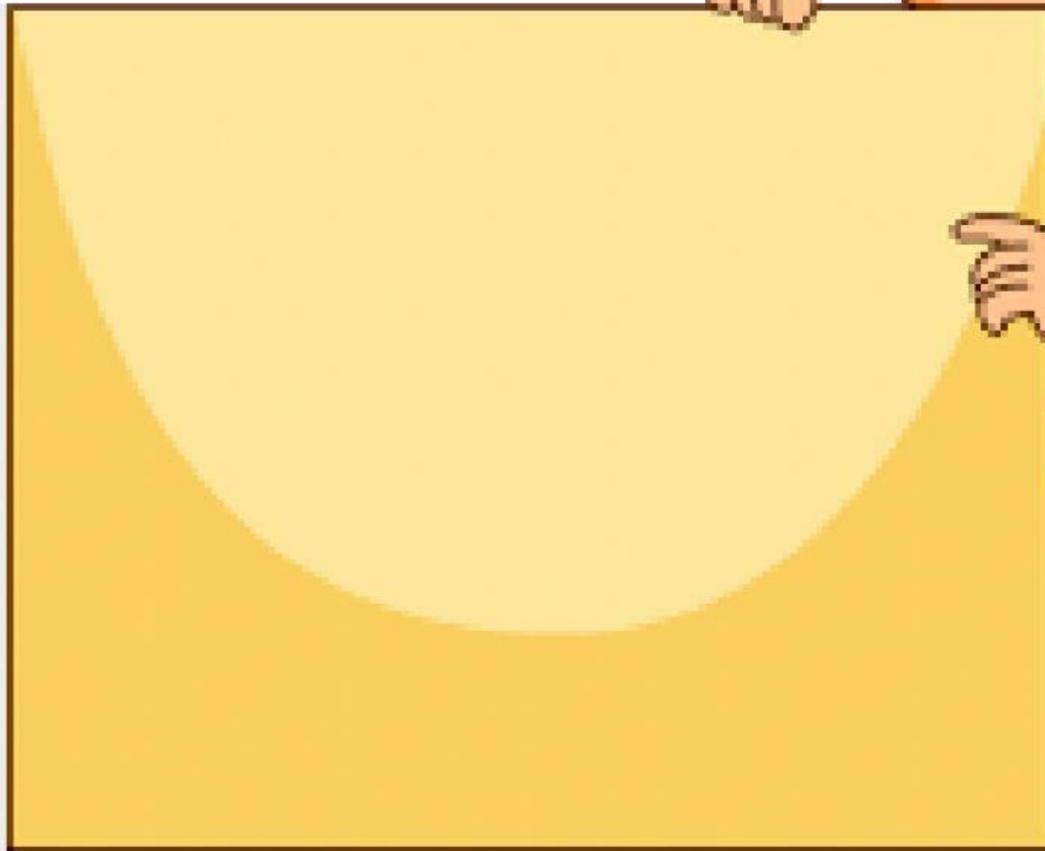

Airplane ✈️ (Air Transportation).

Materials:

Paper 📄

Your hands 🖐️

Watch the Video on how to Create your own paper plane👉:

- ✂️ Press play above to watch how it is made.
- ✂️ The folding of papers would help build fine motor skills.
- ✂️ This would also get the children excited on their new creation.

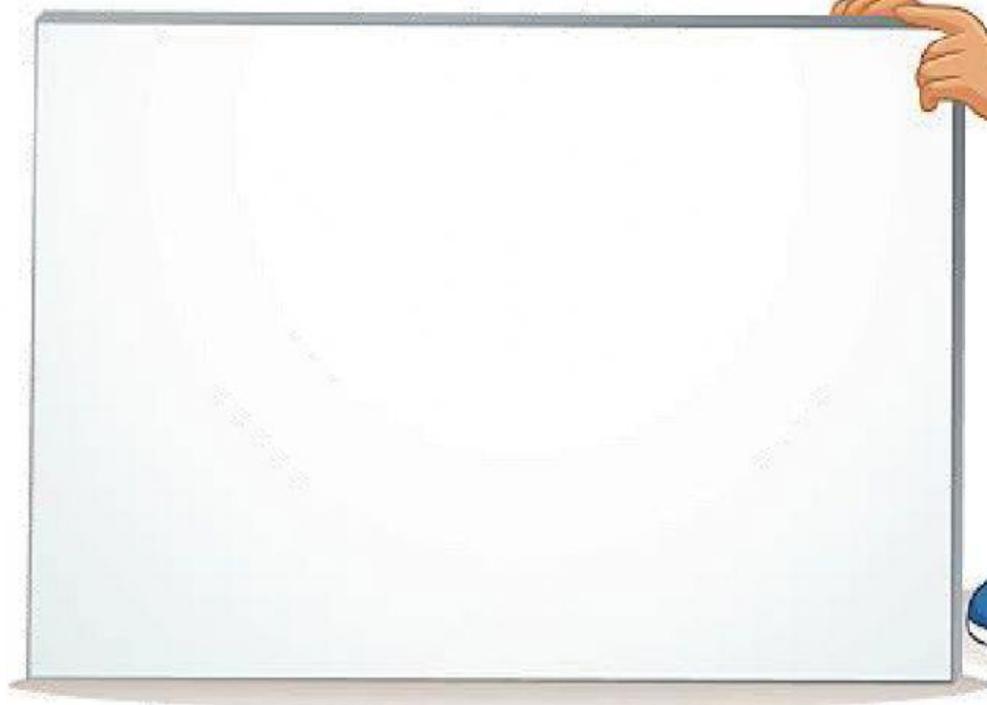

Boat 🚤 (Water Transportation).

Materials:

Paper 📄

Your hands 🖐️

Watch the video on how to Create your own paper boat 📺:

✂️ Show your child how you fold the paper, as shown in the video and explain to him/her that you can make a paper boat by folding
