

New Rules

[Verse 1]

Talking in my sleep at night, making myself crazy
(Out of my mind, out of my mind)
Wrote it down and read it out, hoping it would save me
(Too many times, too many times)
My love, **he / him** makes **I / me** feel like nobody else,
nobody else
But my love, **he / him** doesn't love **I / me**, so **I / me** tell
myself, **I / me** tell myself

[Pre-Chorus]

One: Don't pick up the phone
You know **he's / him** only calling 'cause **he's / him** drunk
and alone
Two: Don't let **he / him** in
You'll have to kick **he / him** out again
Three: Don't be his friend
You know you're gonna wake up in his bed in the
morning
And if you're under **he / him**, you ain't getting over **he /**
him

[Chorus]

I got new rules, I count **they / them**
I got new rules, I count **they / them**
I gotta tell **they / them** to myself
I got new rules, I count **they / them**
I gotta tell **they / them** to myself

[Verse 2]

I / me keep pushing forwards, but **he / him** keeps pulling
I / me backwards
(Nowhere to turn, no way)
(Nowhere to turn, no)
Now I'm standing back from it, **I / me** finally see the
pattern
(**I / me** never learn, **I / me** never learn)
But my love, **he / him** doesn't love **I / me**, so **I / me** tell
myself, **I / me** tell myself
I do, I do, I do

[Pre-Chorus]

[Chorus]

[Bridge]

Practice makes perfect
I'm still trying to learn it by heart (I got new rules, I count
they / them)
Eat, sleep, and breathe it
Rehearse and repeat it, 'cause I... (I got new...)

[Pre-Chorus]

[Chorus]

[Outro]

Don't let **he / him** in, don't let **he / him** in
Don't, don't, don't, don't...
Don't be his friend, don't be his friend
Don't, don't, don't, don't...
Don't let **he / him** in, don't let **he / him** in
Don't, don't, don't, don't...
Don't be his friend, don't be his friend
Don't, don't, don't, don't...
You're getting over **he / him**
