

1. Observa aquests transportadors i escriu quant fa cada angle:

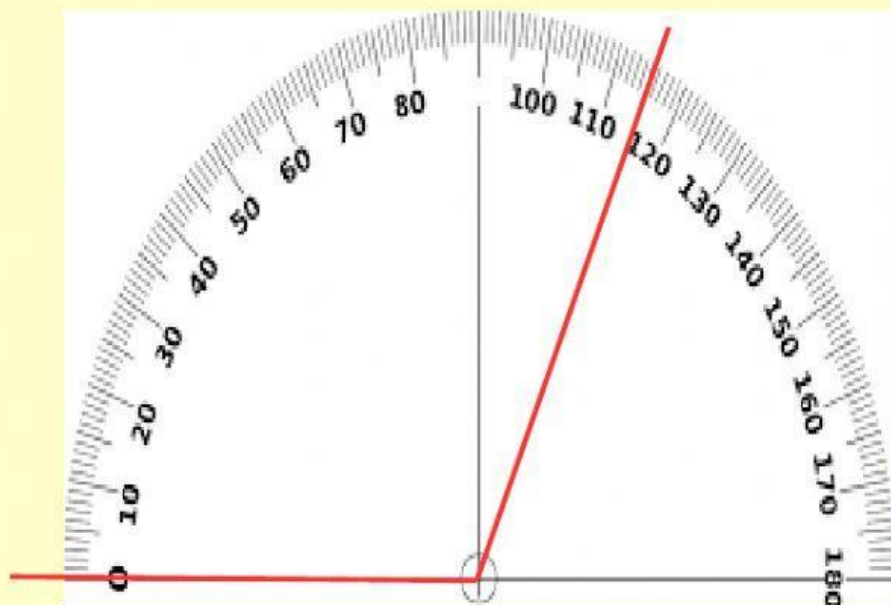

Angle A

Aquest angle fa graus.

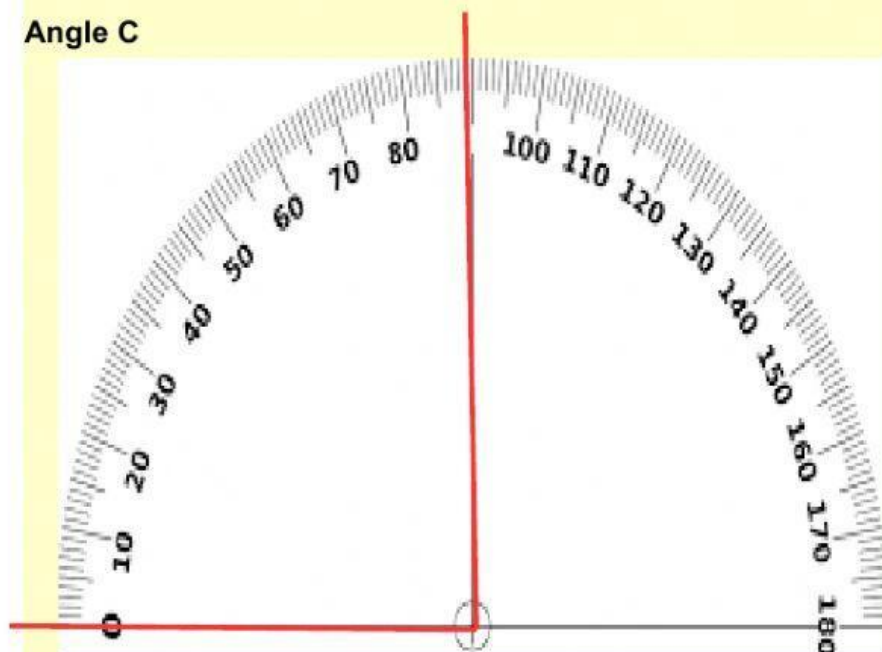

Angle B

Aquest angle fa graus.

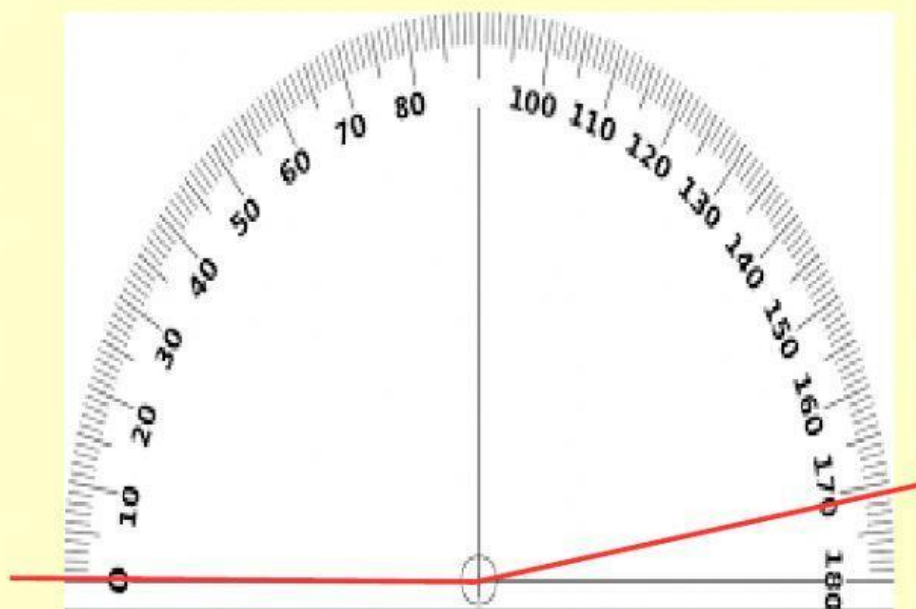

Angle C

Aquest angle fa graus.

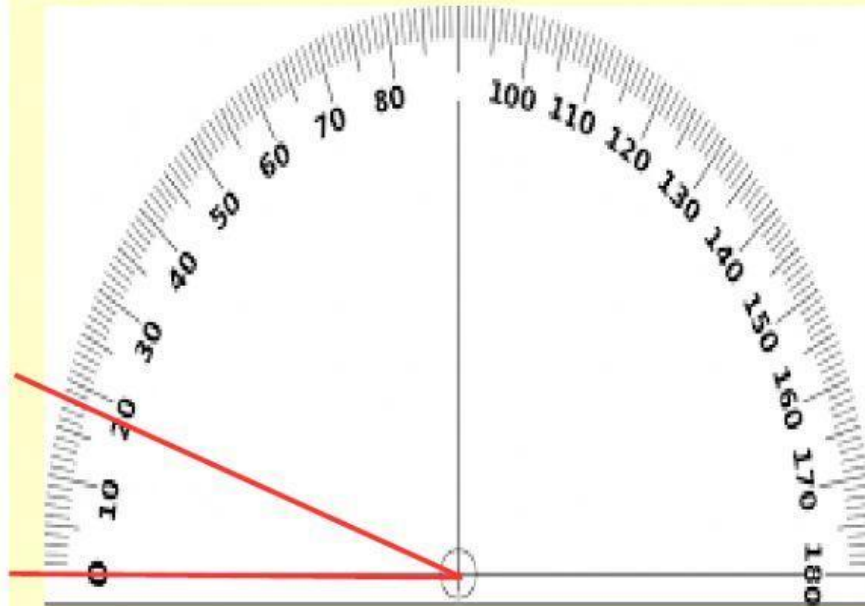

Angle D

Aquest angle fa graus.

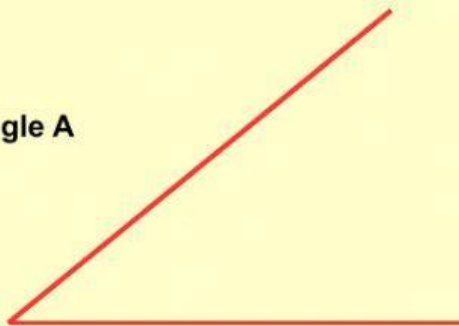

Angle E

Aquest angle fa
graus.

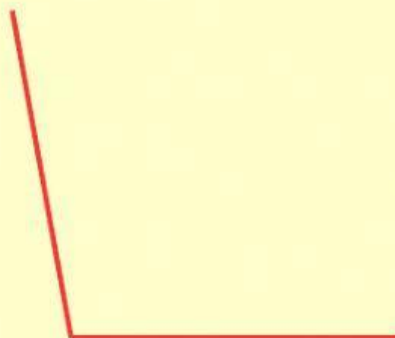

2. Ara intenta mesurar aquests angles amb el teu transportador. Són nombres redons (10° , 20° , 30° ...)

Angle A

Aquest angle fa graus.

Angle B

Aquest angle fa graus.

Angle C

Aquest angle fa graus.

Angle D

Aquest angle fa graus.

Angle E

Aquest angle fa graus.
