

If Only by Dove Cameron

A million thoughts in my head
Should I my heart keep listening?
'Cause up till now I've walked the line
Nothing but something missing
I can't decide what's wrong what's right
Which way should I go?
If only I what my heart was telling me
Don't know what I'm feeling
Is this just a dream? Uh oh
Yeah, if only I read the signs in front of me
I find the way to who I'm meant to be, uh oh
If only, If only, If only
Every step, every word
With every I'm falling in
To something new, something brave
To someone I have never
I can't decide what's wrong, what's right
Which way should I go?
If only I what my heart was telling me
Don't know what I'm feeling
Is this just a dream? Uh oh
Yeah, if only I read the signs in front of me
I find the way to who I'm meant to be, uh oh
If only, yeah
Am I crazy? Maybe we could , yeah
Will you still be with me when the magic's all run out?
If only I what my heart was telling me
Don't know what I'm feeling
Is this just a dream? Uh oh, If only, yeah
