

## AT THE SUPERMARKET

Today I'm going to the supermarket. I want to eat some pasta with sauce. I need: <sup>1</sup>spaghettis, some <sup>2</sup>tomatoes, <sup>3</sup>onions, <sup>4</sup>carrots, and some <sup>5</sup>cheese too! Mmm... Oh! I like to eat bread with the sauce, so I need some <sup>6</sup>bread too.

For dessert, I like want some fruit salad! So, I need some <sup>7</sup>apples, <sup>8</sup>strawberries, <sup>9</sup>grapes and <sup>10</sup>oranges. Yummy! Oh... I'm so hungry now!

1. Read the text. What does the teacher need? Drag the items and drop them in the basket in the order in which they appear.

2. Read the text again. Answer the questions.

a. What does the teacher want to eat?

-----

b. Does she need fruit and vegetables?

-----

c. What does she want for dessert?

-----

d. What does she like to eat with the sauce?

-----

# WHAT DOES THE TEACHER NEED?
