

Pronouns

Directions: For each sentence, identify the specified pronoun. Then, identify the antecedent to that specific pronoun. If there is no antecedent in the sentence for that pronoun, type in *none*.

For type of pronoun, choose from this list:

personal reflexive	possessive indefinite	relative emphatic	demonstrative interrogative	reciprocal
-----------------------	--------------------------	----------------------	--------------------------------	------------

★★Type in all answers carefully. Misspelled answers will NOT be counted for credit.

EXAMPLE: Saul likes to tell everyone jokes, but some do not appreciate his humor.
