

Love is all around

Wet Wet Wet

I feel it in my hands / fingers

I feel it in my toes

Love is all around you / me

And so the feeling grows

It's written on the wind

It's everywhere I go / look,

So if you really love it / me

Come on and let it show

You know I love you, I never / always will

My mind's made up by the way that I feel / see

There's no beginning, there'll be no finish / end

'cause on my love you can depend

I see your face before me

As I lay on my sofa / bed

I kinda get to thinking, of all the things you said / have (oh yes I did)

You gave your promise to me and I gave mine to me / you

I need someone beside me

In everything I want / do

You know I love you, I never / always will

My mind's made up by the way that I feel / see

There's no beginning, there'll be no finish / end

'cause on my love you can depend...
