

"Treat you better"

By Shawn Mendes

Better than he can

And you can tell me if I'm off
But I see it on your face
When you say that he's the one that you want

I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can

1 I won't lie to you
I know he's just not right for you

I'll stop time for you
The second you say you'd like me to

Just know that you don't
Have to do this alone
Promise I'll never let you down

I just wanna give you the loving that you're missing
Baby, just to wake up with you

'Cause I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can

And you're spending all your time
In this wrong situation
And anytime you want it to stop

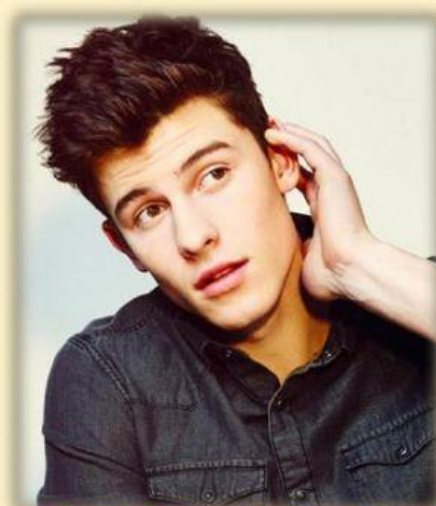

Give me a sign
Take my hand, we'll be fine
Promise I won't let you down

'Cause I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can
Better than he can
Better than he can

Would be everything I need and this could be so different
Tell me what you want to do

1. Listen to the song and number the stanzas (from 1 to 12) in the correct order.
2. Identify simple present and present continuous forms in the song.
