Films into films

Hi, I'm Amy Blake and I'm 15. I live and go to school in Oxford. Normal! But I've got an interesting hobby. I go to the cinema every week. Normal! But I know a lot about films and a lot of people know about *me*! Why? Because I'm a vlogger and I make vlogs about films! Lots of people write blogs and put them online, but I make short films called vlogs. Vlogs are like blogs, but they are films, not texts. In my vlogs I talk about the films I see at the cinema – good *and* bad films!

I make my vlogs at home and I usually do it at weekends. I don't make vlogs every week. I do it every two weeks.

My friends watch my vlogs, and now other people in the UK watch them too. People write comments to me. They think my vlogs are funny!

I love my hobby. I really enjoy making my vlogs. One day I want to go to film school. I want to be a director and make films for the cinema!
