

# Spending my time

Roxette

What's the day / time?

Seems it's already morning / evening

I see the sky

It's so beautiful and grey / blue

The TV's on

But the only thing showing is a photo / picture of you

Oh, I get up

And make myself some breakfast / coffee

I try to read a bit

But the story's too thin / long

I thank the Lord above

That you're not there to see / watch me in the shape I'm in

Spending my day / time

Watching the days / hours go by

Feeling so strong / small

I stare at the sky / wall

Hoping that you think of me too / now

I'm spending my time

I try to call / meet you

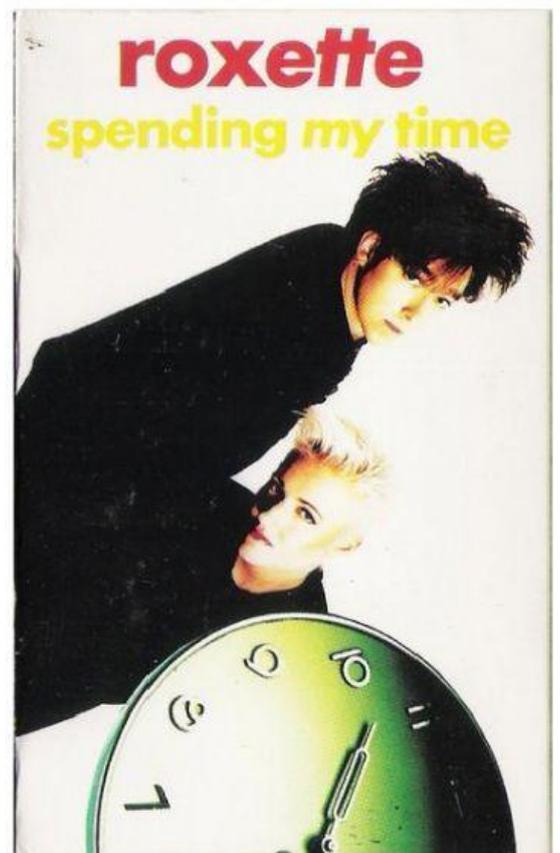

But I don't know what to tell you

I leave a message / kiss

On your answering machine

Oh, help me please / now

Is there someone who can make me wake up from this nightmare / dream?

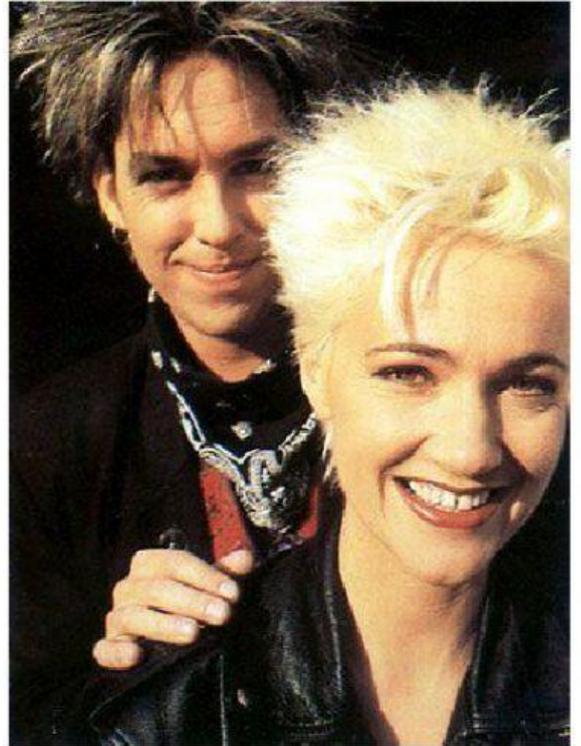

Spending my life / time  
Watching the days / hours go by  
Feeling so small / strong  
I stare at the sky / wall  
Hoping that you are missing me now / too

I'm spending my time / day  
Watching the sun go up / down  
I fall asleep to the song / sound  
Of "tears of a clown"  
A prayer gone blind

I'm spending my time

My friends keep calling / telling me,  
"Hey, life will go on!"  
Time / Love will make sure I get over you  
"This silly game of love you have / play : you win only to lose."

I'm spending my day / time  
Watching the weeks / days go by  
Feeling so small / strong  
I stare at the wall / sky  
Hoping that you think of me too

I'm spending my time  
Watching the sun go up / down  
I fall asleep to the song / sound  
Of "tears of a clown"  
A prayer gone blind, I'm spending my time...
