Bella McCarthy is famous all over the world. She makes clothes for actors, dancers and singers but she doesn't make clothes for sports stars because she isn't interested in sport. Bella makes hats, jumpers and jackets but she doesn't make shoes or caps. 'I don't like caps,' she says. 'They are for football coaches and men with no hair.'

People love buying jackets or jumpers with the special BM label on them. But the clothes aren't cheap. 'I don't want to pay £199 for one of Bella's hats,' says Italian fashion designer Rocco Canal. 'I can get a good one for only £20!'

Every year Bella goes to fashion shows in London, Milan, Paris and New York. Her favourite place is Paris because she loves French food. Bella speaks Italian very well but she doesn't speak French. 'I'm going to have lessons,' she says. 'I hope I can find the time!'

Bella lives in London for most of the year but she spends every Christmas in New York. 'It's the best place to be in December,' she says. 'I love New York when it snows, but I don't like it in the rain!'
