

Send me an angel

Scorpions

The wise man wrote / said
just walk this way / street
To the dawn of the sun / light
The wind will blow into your face / hair
As the years pass you by

Hear this voice from deep inside
It's the call of your heart / love
Close your eyes and you will get / find
The passage out of the dark / shadow

Here I am
Will you send me love / an angel?
Here I am
In the land of the morning / evening star

The wise man said just find your place / friend
In the eye of the hurricane / storm
Seek the roses along the road / way
Just beware of the thorns

Here I am

Will you send / give me an angel?

Here I am

In the land of the morning / evening star

The wise man said just raise your head / eyes

And reach out for the spell

Find the door to the promised land / place

Just believe in yourself

Listen to / Hear this voice from deep inside

It's the call of your land / heart

Close your eyes and you will find / hear

The way out of the dark / night

Here I am

Will / Can you send me an angel?

Here I am

In the sky / land of the morning star...
