Frequency adverbs in present simple

Remember:

- ✓ We use some adverbs to describe how frequently we do an activity.
- ✓ An adverb of frequency goes **before** a main verb (except with To Be).
- ✓ An adverb of frequency goes **after** the verb To Be.
- ✓ When we use an auxiliary verb (will, must, could, can, etc.), the adverb is placed between the auxiliary and the main verb.

Order the words to make correct sentences. Remember to start the sentence in Capital letters and also keep them when writing the days of the week and acronyms, such as Sunday and TV respectively.
