

1 VOCABULARY

Choose the correct words. (15 points)

One of the most (1) *powerful / powerless* and (2) *useful / useless* techniques for training your brain is visualization. Whether you're trying to (3) *develop / learn* abilities you already have, or trying to (4) *develop / learn* a new skill, visualization can help you. It can also help you (5) *find / solve* a solution to stopping unhealthy habits, such as smoking, when you think you've (6) *explored / challenged* all the possibilities and you're feeling (7) *hopeful / hopeless*. In fact, visualization can work in any situation where you are trying to (8) *challenge / solve* yourself to improve, or if you are trying to (9) *find / solve* a difficult problem. The technique involves forming a picture in your mind, like a picture on a movie screen. You have to be (10) *careful / careless* to create a really vivid picture of what you want to achieve. Imagine yourself feeling (11) *fearful / fearless* and strong. Then add sound and make it come to life. Then, make a small black and white picture of yourself feeling (12) *fearful / fearless* and failing. Quickly replace that (13) *painful / painless* image with your bright, happy image. Do that five or six times. Now, every time you feel (14) *powerful / powerless* and think you are going to fail, the positive image will come to mind. Difficult situations become much less (15) *painful / painless* and you are more likely to succeed. Why not give it a try?

2 GRAMMAR

A Complete the conversation with *must, can't, or might/may/could*. (7 points)

- Andy:** I can't finish this crossword puzzle. I have one more word left. Do you know a country with a five-letter name?
