

I'll Be Waiting

Adele

Listen to the song and compete with the missing words.

greatest -between- forgive- ready- better- left- cleared- hands- heavens- dirty-
everything- speechless-against -every- child- just- around-

Hold me closer one more time
Say that you love me in your last
goodbye
Please..... me for my sins
Yes, I swam waters
But you pushed me in
I've seen your face
under..... sky
Over every border and on every
line
You know my heart more than I do
We were the, me and
you

But we had time..... us
And miles between us
The cried
I know I left you speechless
But now the sky has and
it's blue
And I see my future in you

I'll be waiting for you when you're
ready to love me again
I'll put my..... up
I'll do everything different
I'll be better to you
I'll be waiting for you when you're
ready to love me again
I'll put my hands up
I'll be somebody different
I'll be better to you

Let me stay here for one

more night
Build your world me
And pull me to the light
So I can tell you that I was wrong
I was a then, but now I'm
willing to learn

But we had time against us
And miles between us
The heavens cried

I know I left you But
now the sky has cleared and it's
blue
And I see my future in you

I'll be waiting for you when you're
ready to love me again
I'll put my hands up
I'll do different
I'll be better to you
I'll be waiting for you when you're
ready to love me again
I'll put my hands up
I'll be somebody different
I'll be better to you

Time against us (time against us)
Miles us (miles
between us)
Heavens cried
I know I left you speechless
Time against us (time against us)
Miles between us (miles between

us)
Heavens cried
I know I ...you speechless
I know I left you speechless
I'll be waiting

I'll be somebody different
I'll be better to you

I'll be waiting for you when you're
..... to love me again
I'll put my hands up
I'll do everything different
I'll be to you
I'll be waiting for you when you're
ready to love me again
I'll put my hands up
