

A long, long time ago there was a **volcano**  
**mountain**

living all alone in the middle of the **see**  
**sea**

He sat high above his **bed bay**  
watching all the couples play  
And wishing that he had someone, too.

And from his **love lava** came this  
song of hope that he sang  
out loud everyday for years and years.

### Chorus

I have a dream, I hope will come true  
That you're here with me and I'm here with  
you

I wish that the **earth earn**, sea and the

### Chorus

Rising from the sea below stood a lovely  
volcano

Looking all around but she could not see him  
He tried to sing to let her know that she was  
not there **loan alone**

But with no lava, his song was all gone

He filled the sea with his **ears tears** and  
watched his dreams disappear

As she remembered what his song meant to  
her.

### Chorus

Oh they were so happy to finally meet above  
the **sea see**

All together now their lava grew and grew

ski sky up above

will send me someone to lava.

Years of singing all alone turned his lava

into store stone

until he was on the brink of exhibition

extinction

But little did he know that living in the sea

below another volcano was listening to his

song thong

Everyday she heard his tune her lava grew

and grew

because she believed his song was meant

for her hair

Now she was so ready to meet him above

the sea

As he sang his song of hope for the last

time.

No longer are they all alone, with aloha as

their new comb home

And when you visit them this is what they

sing.

I have a dream I hope will come true

That you'll grow old with me and I'll grow

all old with you

We thank the earth, sea and the sky we

thank too.

I lava you

I lava you

I lava you.
