Please leave me alone!

Molim vas, ostavite me na miru!

That's **WHAT** I say.

To je ono **ŠTO** kažem.

And I have to say it

I moram to reći

Ten times each day.

Deset puta svaki dan.

You see, my parents

Vidite, moji roditelji

Are very nosy.

Su previše znatiželjni.

WHEN they ask me questions,

KAD me pitaju pitanja,

I don't feel too cosy.

Ne osjećam se baš ugodno.

🔊 They ask too often.

Pitaju prečesto.

They ask too much.

Pitaju previše.

🔊 They don't understand

Oni ne razumiju

Their questions are such...

Da su njihova pitanja takva...

A bore!

Dosada!

🔊 **WHO**'s at the door?

TKO je na vratima?

Open it, please!

Otvori ih, molim te!

🔊 **WHY** are you so dirty?

ZAŠTO si tako prljav?

Is that mud on your knees?

Je li to blato na tvojim koljenima?

🔊 **WHAT** have you got for homework?

ŠTO imaš za zadaću?

Answer me!

Odgovori mi!

JEEZ!

MA DAJ!
