MY DREAM HOUSE

A tree house is my most favourite house. It is on a tree, of course. But it is under the big branches of leaves. It's made of wood. There is a big glass window on the roof. I can watch the birds inside the trees through that. There is a ladder from the ground to the floor of the house. I can run up and down **it**.

The house is small, so I put no table and chair there. I like to store my favourite toys in the house. It's also a wonderful hideaway place. I can play hide and seek with my friends after school.

Hogwarts is a very special school: it is a school for young witches and wizards. It is located near a lake in Scotland, but its students come from Scotland, England, Ireland and Wales. School begins on September 1, and students all get on a special train in London to go to school together. Hogwarts is a boarding school, so students have classes and live at the school. They have to wear robes as their uniform. Each student has an owl for a pet. The owls also carry letters from families. All students play a sport called the *quidditch*, a kind of flying soccer. Players try to hit the ball with a stick while mounting their flying brooms.
