

Scotland Loch Ness Monster

Scotland Loch Ness Monster

Read the information.

Many people think a monster called Nessie lives in it.

In 1933, Nessie was seen again when she crossed the road in front of a car.

Loch Ness is a very large, deep lake in Scotland.

People have explored the lake, but no one has found anything definite.

Since then, more people have taken photos and videos, but they are not very clear.

The first report of Nessie was in the sixth century when a man saw a monster in the water.

Possible explanations are that Nessie is a giant eel, a large bird, a tree, a seal or a dinosaur.

The next year, a famous photo was taken of Nessie, but it was fake
