

Reading comprehension

Hello my name is Sue, I'm fifteen years old. I live in Boston, with my family.

I get up at 8 o'clock every morning and I have cereal for breakfast. I also take a cup of coffee. I drink too much coffee but I love it. For lunch I have a sandwich but I also eat a lot of fruits. I don't do enough exercise, but once a week I take a short walk. For dinner I usually have pasta or salad.

My brother is called Noah and he doesn't eat breakfast in the mornings.

He does a lot of exercise and goes to the gym every day but he also loves junk food. He works very hard and sometimes he have just a coffee for dinner.

True or false?
