

"Paradise" by Coldplay.

When she (be) just a girl
She (expect) the world
But it (fly) away from her reach
So she (run) away in her sleep
And (dream) of para-para-paradise
Para-para-paradise, para-para-paradise
Every time she (close) her eyes

When she just a girl
She the world
But it away from her reach
And the bullets catch in her teeth

Put in order:

- () The wheel breaks the butterfly
- () In the night, the stormy night, she'll close her eyes
- () Every tear, a waterfall
- () In the night, the stormy night, away she'd fly
- () Life goes on, it gets so heavy

Chorus:

And dream of para-para-paradise
Para-para-paradise, para-para-paradise
Oh-oh-oh-oh-oh-oh-oh
She'd dream of para-para-paradise
Para-para-paradise, ara-para-paradise

So lying underneath those stormy skies
She'd say, "Oh, I know the sun must set to rise"

Chorus again.
