

THE FOOD SONG:

I fruit but I

There's nothing here that I can eat!

The is nice and too!

But I eat meat!

Pasta, pasta! Macaroni!

Eat it and you won't be bony.

Sausage and mash,

it? it! Lick your lips!

Yummy, yummy, fill your tummy!

Did you burp? Oh, how rude!

I think that you've had

TOO MUCH !
