

What is there in your neighborhood?

Objetivo: En esta lección, practicarás la manera adecuada de describir los servicios que hay en tu colonia, pueblo o ciudad.

Listen and write the name of each person on the line. (Naio v 71)

New York, New York! Hear it from the locals!

 a	 b	 c
I love Brooklyn. I live in an old apartment in Williamsburg, near the river. I work in an office near the Williamsburg Bridge. There are so many great places in Williamsburg – rooftop bars, cool movie theaters, and funky shops. There is a great atmosphere.	I love New York and I love Brooklyn. I live in a modern apartment in the Dumbo area of Brooklyn, near the Brooklyn Bridge. My office is near my apartment so there is no need to commute. Dumbo is new but it's growing fast. There is a great bookstore near my office – great for a visit at lunchtime. There is also a ferry stop in Dumbo to travel up the river.	I love New York. I live in a brownstone in the center of Prospect Heights. I work near an art gallery near the Brooklyn Public Library. There are many cool things to do in Prospect Heights. There are museums, and there is a great park to relax in. There is also the Brooklyn Nets basketball arena.

New words:

In: en – dentro de.

Near: cerca de – en las cercanías.

Brownstone: Se refiere a un edificio hecho con "brownstone" un tipo de arena que se utilizaba para hacer ladrillos y que da un color rojizo característico a muchos edificios en Nueva York.

Read the texts, pay attention to the sentences in RED.

There is a great atmosphere. There is a great bookstore near my office. There is also a ferry stop in Dumbo There is a great park to relax in. There is also the Brooklyn Nets basketball arena There is a = Hay un Singular.	There are so many great places in Williamsburg – rooftop bars, cool movie theaters, and funky shops. There are many cool things to do in Prospect Heights. There are museums. There are = Hay unos (as) Plural
---	--

A shopping mall: **Macropiazza**

A gym: _____

A park: _____

An elementary school: _____

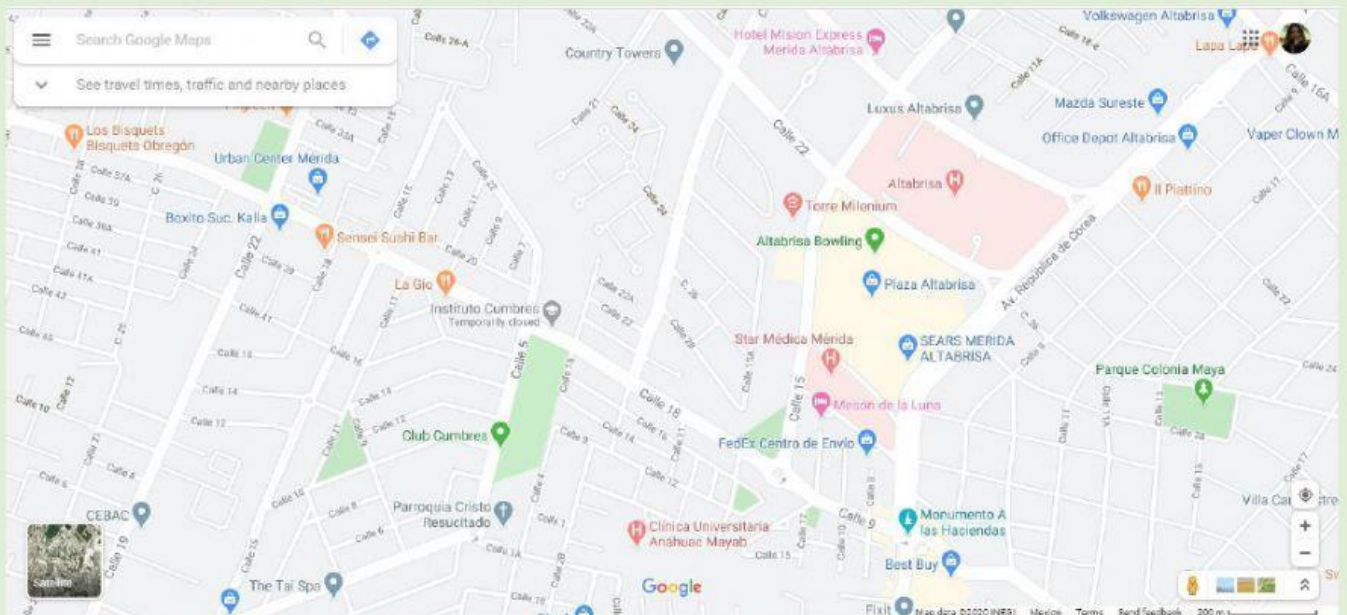

So, we can describe the area like this:

Podemos usar **números** en las frases plurales:

En las frases singulares, usamos *a* o *an*, la diferencia es cuando la palabra siguiente, comienza con vocal o consonante.
