## PRESENT PERFECT

# Travel abroad email

Rita is preparing for a trip abroad with her friend Ellen. Look at the list she made yesterday evening and then complete the email she has sent to Ellen, using the present perfect.

Hi Ellen  
Are you ready? I am, almost!  
Today I have photocopied my passport, I \_\_\_\_\_ insurance and I \_\_\_\_\_ some money. I \_\_\_\_\_ my camera, but I \_\_\_\_\_ my clothes. I \_\_\_\_\_ my backpack. I can do that tomorrow. I \_\_\_\_\_ Gramma and I \_\_\_\_\_ my cousins and I \_\_\_\_\_ goodbye to them.  
One problem: I still \_\_\_\_\_ the hostel voucher. \_\_\_\_\_ you \_\_\_\_\_ for it in your apartment? Call me if you find it.  
I'm going to call the taxi company now because I \_\_\_\_\_ a car to the airport yet.  
See you tomorrow evening at the check-in desk!  
😊
