Tour guide: Good afternoon, everyone. Welcome to our tour of the Statue of Liberty and Ellis Island. Our first stop today is Liberty Island and the Statue of Liberty. The boat ride will take about 20 minutes. Does anyone have any questions?

Tourist 1: Yes. 1 *How old is the statue?*

Tour guide: About 130 years old. The French government gave it to the United States in 1886.

Tourist 2: 2 _____

Tour guide: From the base to the tip of the torch, it's about 305 feet, or 93 meters tall. The arm is 42 feet, or 13 meters long!

Tourist 2: Oh, really? 3 _____

Tour guide: Her finger? Her index finger is 8 feet, or 3 meters long.

Tourist 2: 4 _____

Tour guide: Well, it's made out of copper and steel, so it's pretty heavy! It weighs 450,000 pounds, or 200,000 kilos!

Tourist 2: 5 _____

Tour guide: Well, there are 354 steps to climb up to the crown of the statue. But we can't go up there today. Sorry. You can visit the lobby. After that, we're going to Ellis Island.

Tourist 2: Oh. 6 _____

Tour guide: Not far at all... the islands are very close.

Tourist 3: 7 _____

Tour guide: It's 32 acres, or 130,000 square meters. It's a lot bigger than Liberty Island.
