Main Idea
Many things are found along the coast

Detail

Detail

A diagram for reading comprehension. In the center is a rectangular box with the text "Main Idea" in bold, followed by "Many things are found along the coast". To the left and right of this box are small line drawings of seagulls in flight. Surrounding the central box are four cloud-like shapes, each labeled "Detail". Lines connect the top and bottom of the central box to the four detail shells. The entire diagram is enclosed in a rectangular border.
