1) READ CAREFULLY

My brother Jake is my hero. He's twenty-five years old. He wakes up at 7:30 every day, has cereal for breakfast and gets dressed for work. He's a firefighter. He wears a red and yellow uniform. He drives to the fire station. He is never late! He finishes work at 4:00 in the afternoon, so he has lunch at the fire station with all the firefighters.

Sometimes, when there is an emergency, Jake works at night. He puts out fires with a hose. Jake loves his job because he likes helping people. He's not afraid of fire or smoke, he's really brave. I am proud of him because he works to make our community better.
