T F

II. READING

1. Read the passage and complete the sentences. Circle A, B, or C.

The Earth Day comes from the idea of a former US politician Gaylord Nelson. He was worried about the world pollution, and the health of plants and animals. In 1969, he decided that the world should have a special day to teach people about how to make environment better.

His idea became popular and on 22 April 1970 the first Earth Day was celebrated. Since then, environmentalists have used the day to educate people about **their** roles in protecting our planet.

Earth Day finally became a global celebration around the world. On this day, people come together to talk about global warming, protecting rare animals and saving energy sources.

1. The Earth Day was first celebrated in ____.

A. 1969

B. 1970
C. 2015

2. According to the passage, Gaylord Nelson was ____.

- A. trying to pollute the environment
- B. worried about the environment
- C. not concerned about global warming

3. The word **their** refers to ____.

- A. environmentalists'
- B. politicians'
- C. people's

4. Environmentalists have used the Earth Day to ____.

- A. educate people about their roles of protecting our planet
- B. ban people from using energy sources
- C. get people around the world to play together

5. The best title for the passage can be ____.

- A. Gaylord Nelson, the politician
- B. Preserving our energy sources
- C. The meaning of the Earth Day

2. Read the passage about Rain Forest World Music Festival. Decide if the statements are true (T) or false (F). Circle T or F.

Rain Forest World Music Festival is celebrated in Sarawak, Kuching Island, Malaysia. This festival began in 1998. The cost is only US\$ 40 and it lasts three days.

It is the time for musicians from all parts of Malaysia and many countries around the world come. During the three days, there are many cultural events: performances of musicians, workshop for people who want to learn more about music, classes for children to learn about music and storytelling.

In the festival villages, there are many shops. Visitors can buy food, drinks, traditional arts, and musical instruments. There are also displays of houses, clothes and hunting instruments for tribes in Sarawak.
