I'm with you- Avril Lavigne

I'm standing I stand on a bridge
I'm waiting I wait in the dark
I thought that you'd be here by now
There's There are nothing but the rain
No footsteps on the ground
I'm listening I listen but there's no sound

Isn't anyone trying to find me?
Won't somebody come take me home?
It's a damn cold night
Trying to figure out this life
Won't you take me by the hand?
Take me somewhere new
I don't know I'm not knowing who you are
But I, I'm with you
I'm with you

I'm looking I look for a place
I search I'm searching for a face
Is anybody here I know
'Cause nothing's going right
And everything's a mess
And no one likes to be alone

Isn't anyone tryin' to find me?
Won't somebody come take me home?
It's a damn cold night
Trying to figure out this life
Won't you take me by the hand?
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you, yeah, yeah

Oh, why is everything so confusing?
Maybe I'm just out of my mind
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand?
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you

Take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you (x2)
