

D Lizzy was waiting for her friend Ava at the shopping mall yesterday afternoon. Read the description of the two girls and write the names of the clothes and accessories. Then, check the picture of Ava.

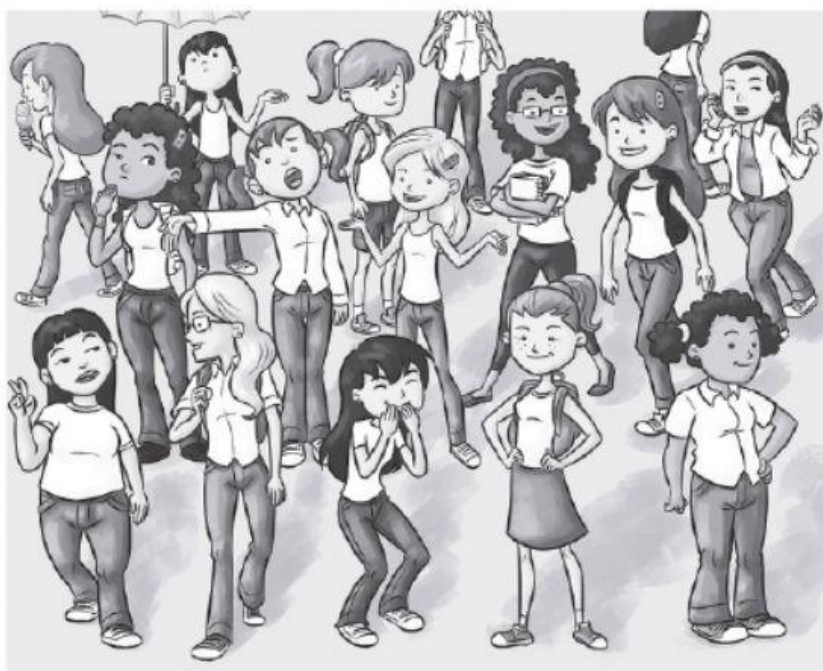

Yesterday I almost couldn't find a friend of mine at the shopping mall. Ava and I were going to meet at the food court, but there were a lot of people there. It was impossible for me to find her. I called Ava on her cell phone and she said she

was wearing  . I looked around and saw lots of girls wearing jeans, so I

asked her to be more specific. Then, she said she was wearing a white  .

and white  . There were still a lot of people wearing that, so she said

she was carrying a black  . I saw a girl near the stairs wearing that.

I was going that way when Ava

saw me and asked me: "Are you

wearing black  .

and a gray  ?

Look back!" I looked and she

was standing behind me with a

white  on

her hair! I was going in the wrong direction!
