

The second someone ..... you were all alone  
I could feel the trouble ..... through your .....  
Now I know, it's got a hold  
Just a phone call left unanswered, had me .....

These cigarettes won't stop me wondering where you are  
Don't let go, .....

### **CHORUS**

**If you look into the distance, there's a house upon the hill  
Guiding like a lighthouse to a place where you'll be  
Safe to feel our grace 'cause we've all made mistakes  
If you've lost your way**

**I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on**

Tell me what's been happening, what's been .....  
Lately you've been ..... for a darker place  
To hide, that's alright  
But if you ..... abusing, you'll be robbed from us  
I refuse to lose another friend to drugs  
Just ....., don't let go

If you look into the distance, there's a house upon the hill  
Guiding like a lighthouse, it's a place where you'll be  
Safe to feel our grace and if you've lost your way

If you've lost your way (I will leave the light on)  
And I know you're down and out now, but I need you to .....  
Hiding from the truth ain't gonna make this all okay  
I see your ....., if you don't feel our .....  
And you've lost .....

I will leave the light on  
I will leave the light on  
'Cause I will leave the light on
