

I was climbing up the mountain when it started to snow.

I hid in a cave.

What an adventure!

I was swimming down a river when I thought I saw a tree.

A big crocodile

What an adventure!

I was flying over an island. I was looking all around

When my plane coughed and stopped,

What an adventure!

I was sailing in a river, enjoying it all.

Then I saw a boat in front of me

What an adventure!

I was camping in the jungle. I was sleeping on the ground

When suddenly I felt a snake.

What an adventure! What an adventure! What an adventure!

was racing after me

There was nowhere else to go

It didn't make a sound

and I had to jump out

go down a waterfall
