

## What's in Mickey's schoolbag?

|                                                                                                                                                                                                               |                                                                                                                                                                                                            |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. Hello! My name is Mickey Mouse. Today I am going to school. I have got a red school bag. Let's look what's in it!</p>  | <p>2. Look! There is a blue pencil case in my school bag. There is a pen in my pencil case. I can write with a pen.</p>  |
| <p>3. I have got a notebook. I can draw and write on it. Do you have a notebook?</p>                                        | <p>4. Look! I've got a glue. I can stick paper with glue.</p>                                                          |
| <p>5. Look at my sharpener! I can make my pencils sharp with a sharpener. Do you like my sharpener?</p>                    | <p>6. I have got a ruler in my school bag too. I can measure with ruler. Have you got a ruler?</p>                     |

Read and choose **True** or **False**.

|                                             |             |              |
|---------------------------------------------|-------------|--------------|
| 1. Mickey is going to the café.             | <b>TRUE</b> | <b>FALSE</b> |
