

Who is who?

Draw arrows and match them with their corresponding occupations:

1. Charles Dickens	A queen
2. Florence Nightingale	A female novelist
3. Alexandrina Victoria of Kent	A nurse
4. Dr. Barnardo	An explorer
5. Emily Brontë	A scientist
6. Charles Darwin	An American writer
7. David Livingstone	A social reformer and philanthropist
8. Mark Twain	A male novelist

So... **Who is the odd one out**, the character that is not a Victorian?

Visit the following sites and find out one important thing each of them did. Write it down:
