

Drag and drop exercise.

And what you see will be Fly a fantasy Given in the light
For she may fade away In her face Will unfold behind the clouds
Never ending story, ah And there upon a rainbow

THE NEVER ENDING STORY
BY LIMAH.

Turn around
Look at what you see

The mirror of your dreams

Make believe I'm everywhere

Written on the pages
Is the answer to a never ending story, ah

Reach the stars

Dream a dream

Rhymes that keep their secrets
Will unfold behind the clouds

Is the answer to a never ending story, ah
Story, ah

Show no fear

In your hand
The birth of a new day

Rhymes that keep their secrets

And there upon a rainbow
Is the answer to a never ending story, ah
Never ending story, ah

Never ending story, ah

Miss Rose's class.
