Listen and read the text. (Escuche y lea el texto)

My best friend

My best friend is Sue Walker. She's thirteen years old and her birthday is on 1st March. She's got two brothers. Their names are Mark and Sam. She's got a lot of pets. She's got a dog, a mouse, a cat, two rabbits and some fish.

Sue is tall and thin. She's got fair hair and blue eyes.

Sue and I go to the same school. It's called Langdale Comprehensive. We're in the same class. Sue's favourite subjects are science and biology.

Sue's favourite sport is tennis. We sometimes play tennis together at the weekend. Her favourite players are Serena Williams and Lleyton Hewitt. Sue likes films too. We don't go to the cinema very often, but we watch DVDs at her house.

Answer the questions about the text. (Responda las preguntas sobre el texto)
